If a time traveller
observed our society...

What would they learn?

**If you were a Relic Traveller,
what vocal testimonies
might you hear about inequality?**

What is The Line?

The Line opened in 2015 and is London's first dedicated art walk. The walk runs between Queen Elizabeth Olympic Park and The O2, and the route follows the waterways and the line of the Greenwich Meridian.

The Line is a 3-mile outdoor gallery that features an evolving programme of art installations, events and landmarks, illuminating an inspiring landscape where everyone can explore art, nature and heritage for free.
